Captain Coron Ready to Lead the Blaze to Victory

South Brunswick, NJ - March 10, 2010

[NJ Blaze's](#) preparations for the upcoming NPSL season stepped up another gear with the announcement of Coron Short as the team's captain. Short, 22, a South Brunswick High School graduate from Dayton and a key member of Montclair State's soccer program, spoke of his pride upon hearing the news. "It's an honor to be chosen as captain and leader of the team. It means a lot to me to have graduated from South Brunswick High School and now play on the Blaze to represent my home town."

Head Coach [Rob Napier](#) explained his decision to elect Short to this key role. "Coron stood out immediately at the tryouts, not just for his playing ability, but also for his on-field leadership and attitude. I'm confident he can help the team reach its objectives for the coming season. From his position in the middle of the field, he can direct play and drive the team forward."

Short has good experience of being captain throughout his soccer career so far. "I was the Varsity captain for the High School, captain of the South Brunswick Lightning and captain on the Middlesex College team." With this amount of experience, Short summarized what makes him a good captain. "I lead by example. I give 110% in every game, I play with intensity and when something needs to be said, I'll say it."

In order to prepare for games, Short believes in the power of practice, "You have to practice harder than you play" and likes to get in the right frame of mind by listening to positive music, a particular favorite being 'Victory' by Lil Wayne. No doubt the growing band of Blaze fans will be hoping Short is the man to lead the team to victory this season.

The [NJ Blaze](#) competes in the Keystone Division of the Atlantic Conference of the [National Premier Soccer League](#), the highest level of men's amateur soccer in the United States.
